ABOUT NA

Anyone who wants to stop using drugs may become a member of **Narcotics Anonymous**. Membership is not limited to addicts using any particular drug. Those who feel they may have a problem with drugs - legal or illegal, including alcohol - are welcome in **NA**. Recovery in **NA** focuses on the problem of addiction, not on any particular drug. **NA's** primary approach to recovery is its belief in the therapeutic value of one addict helping another. **NA** meetings are informally structured, held in rented spaces by the group, and are led by members who take turns opening and closing the meeting. **NA** meetings and other services are funded entirely from donations by addict members and the sale of recovery literature. The function of any meeting is always the same: to provide a suitable, reliable, and safe environment for personal recovery.

Narcotics Anonymous is a non-profit community based organisation for recovering addicts in 131 countries, with over 61,800 meetings weekly, worldwide. NA members learn from one another how to live drug free and recover from the effects of addiction in their lives. Membership is open to all drug addicts, regardless of the particular drug or combination of drugs used.
